

FOS Plant Sale Pick-Up on Saturday March 27th!

VOLUNTEERS NEEDED!

It is a fun event, older students can receive service hours, and there will be refreshments to keep you going! To ensure no one has to volunteer for the whole day, shifts are 2 to 3 hours. Help load plants in buyers' vehicles or with clean-up. Volunteers are needed both at **AHJS** and at **The Nectar Bar**. Each station is a great opportunity for a family or a small group to work together. The goal of the pickup is to be contact-free with masks required by all volunteers to maintain a safe working environment.
